**Amendments to the Specification:**

Please replace paragraph [40] with the following amended paragraph:

[0040] Since the present invention can be implemented by a computer program operating on a computer, the present invention encompasses a computer program and any form of carrier medium which can carry the computer program e.g. a storage medium such as a floppy disk, CD ROM, programmable memory device, or magnetic tape, or a signal such as optical signal or an electrical signal carried over a network such as the Internet. A signal is understood to mean a transmission medium.
